

1. This is the Home Page of our Website. Link - <http://complainx.herokuapp.com/>

Steps for Student Users:

2. Sign Up as a Student at our website.
3. Fill up the appropriate data and once logged in you will be directed to your dashboard.
4. Dashboard will show all your past complaints and summary of your activity till date.
5. To add a new complaint use navigation bar on the left and it will redirect you to that page.
6. On this page you will enter all details related to your complaint and select whom that complaint is addressed to.
7. In the next option one can see all their past complaints.
8. College Feed will have announcements and complaints from others which act as a forum.
9. Finally one can change their personal data from My Profile section.
